

When It Is Too Cold To Go Outside

A Scripted Story by Unicoi County Pre-K

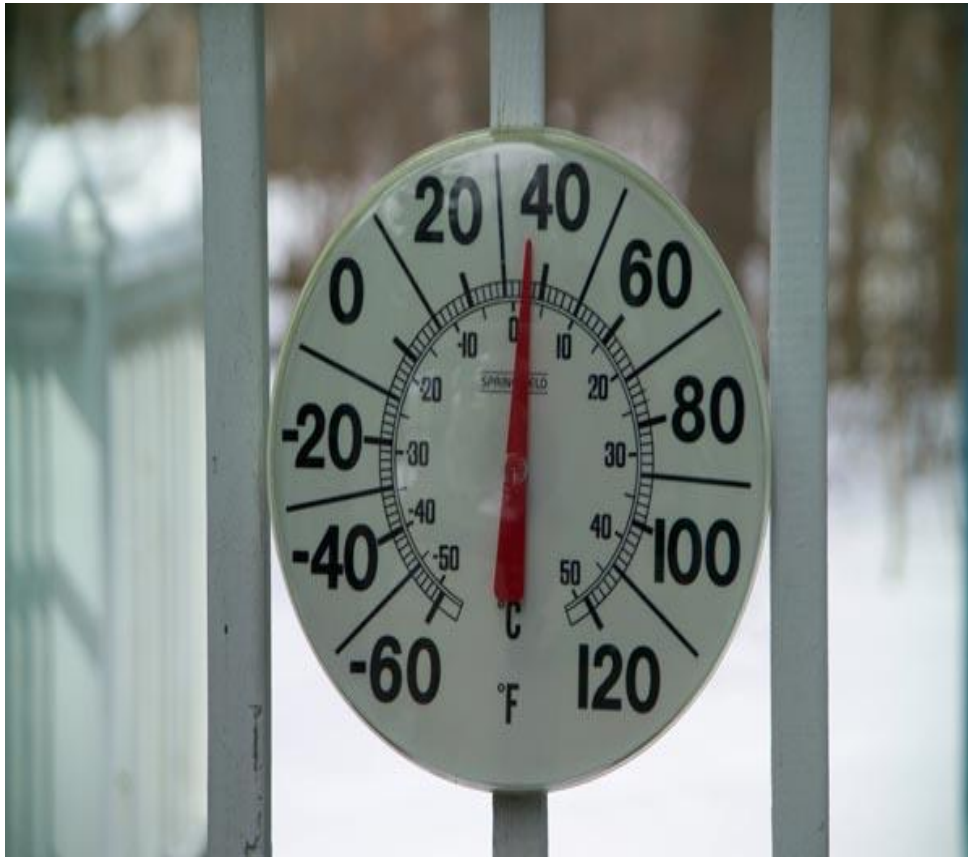

I love to go outside and play with my friends. When I am outside I follow playground rules and I am a Super Friend.

**But sometimes I can't go out and play.
My teacher says we cannot go outside
when the wind is too cold.**

I cannot go outside when the temperature is below 32.

I cannot go outside if it is raining

or snowing.

Snow in Parco del Gazebo, Bologna, Italy - S. Deepak, 2012

When I cannot go outside and play my teacher lets me do special winter or rainy activities. I sometimes play in the gym.

Other winter or rainy activities are brain breaks, extended centers, or special things like playing BINGO or making play dough.

**I am happy to play inside on days I cannot
go outside.**

The End.
